Content

The NQ Business Administration (Level 6) at Glasgow Kelvin College is ideal if you want to develop advanced business and administration skills for the workplace or prepare for higher-level study. Whether you're aiming for a career in business, retail, customer service, or finance, or planning to start your own business, this course provides the skills and confidence you need.

You'll build a clear understanding of the role of business and administration across a range of sectors. The course combines business knowledge, employability skills, and digital technologies with practical experience in customer service, marketing, HR, and finance.
