Childhood Practice (Level 6)

West Lothian College

Content

This course is perfect if you're interested in working with children or exploring a career in early education and childcare. It covers a mix of practical skills and important theories, giving you a solid foundation for further study or starting a job as a support worker in childcare.

You'll learn a wide range of essential topics to help you work with children and young people. You'll gain an understanding of the many factors that can impact a child or young person's health, wellbeing, and development. You'll also learn how to view health, wellbeing, and development in a holistic way, considering all aspects of a child's life.

Start Date

August
