Engineering (PDA)

UHI Moray

Venues

Main campus

Content

This course is ideal if you have recently left school or college, or are currently in employment, and wish to obtain a formal qualification to enhance your engineering knowledge. The units will enable you to gain the practical and inter-personal skills needed to work successfully within the engineering sector and as part of the 21st century economy.

You will study the following core modules:

Pneumatics and hydraulics; Thermofluids; Engineering measurement and system monitoring; Materials selection.

Start Date

September

Qualification

Other

Study Method

Part time (day)

Course Length

1 year

Department

Engineering, Construction and Technology

Entry Requirements

National 5 Maths and Engineering Science or Physics is preferred.

SCQF Level

7

Progression Routes
