Programme Title

Apprentice Heavy Vehicle Mechanic

Programme Structure

Job Description

GTG is a leading training provider with facilities in Glasgow, Edinburgh and West Midlands. GTG is hugely accessible and offers a large and varied portfolio of Modern Apprenticeship programmes accommodating a range of occupations including automotive, logistics and business skills.

We have vacancies within the East Kilbride area for the following position

Apprentice Heavy Vehicle Mechanic.

You will train in all aspects of heavy motor vehicle repair and maintenance including vehicle servicing, MOT preparation, removal, replacement and overhaul of major components and electrical fault diagnostics.

The Modern Apprenticeship programmes allow apprentices to work full time and have the opportunity to earn while they learn and to put theory into practice within an automotive training environment, gaining an SVQ Level 3 in Heavy Vehicle Maintenance and Repair.

To apply, click on the Apply button to go to the GTG Training website to download an application form. Return your completed form to gtgrecruitment@gtg.co.uk.
