

Travel Services

Provider

Thomas Cook Group

Career Areas

Hospitality, Leisure and Tourism

Job Description

<p>You're interested in travel but don't just want to study travel, you want to live and breathe it, using your passion and enthusiasm to sell for Thomas Cook and ensure our customers have a great experience.</p>

<p>If you're looking for a rewarding career as part of an ambitious team, want to continue your personal development, earn a salary and be rewarded for your achievements through commission and incentives, then look no further!</p>

<p>As an Apprentice Sales Consultant, you'll earn a salary whilst you learn. You'll also have the opportunity to earn commission through achieving your sales targets. Not only will you achieve a nationally recognised qualification (Travel Services at Level 2 and 3 (in Scotland) or Travel Consultant Apprenticeship Standard at Level 3), you'll also gain real life work experience, which will form the foundation of your career.</p>

<p>This position is at Thomas Cook Aberdeen Bon Accord</p>

Wage

£6,825

Qualifications

Travel Services (Leisure and Business) SVQ Level 2

Travel Services (Leisure and Business) SVQ Level 3

Duration

2 years

Summary

You'll commit to successfully completing your apprenticeship/s over a period of 20-24 months. You'll need to actively participate in training workshops and complete work towards your qualification within the agreed timescales. As part of the apprenticeship you may also be required to work towards qualifications in functional skills in English and Maths. You'll have to be flexible – retail opening hours include weekends and bank holidays.

Career Progression

Career within the company

Entry Qualifications

Subjects at National 4 or 5 including English and Maths.

Personal Skills

You'll need to be prepared to work hard in a fast paced environment, learn on the job and adapt quickly to change. You'll receive sales and customer service training and will learn all about foreign exchange, but you must have the desire and determination to succeed in a sales environment, promoting additional products and services. You'll also need to use in-store technology to demonstrate your digital skills, delighting our customers and bringing their holiday enquiry to life.
