

Job Seeking Skills

Module Overview

The content and activities are split into four parts, each with a number of modules. These are listed below, along with estimated times for completion.

You may wish to complete these in order or just pick and choose the ones you need (although some of the later modules make reference to earlier ones). Bear in mind that the times are estimated and may vary depending on the group you are working with. Some activities can be completed in the students' own time.
