Presentation Module 20: Health and safety in the workplace

Tasks and Activities

The presentation has been written to be taught alongside the module.

Tasks have been added to the Presentations to make it interactive - learners will be asked questions as they go through the presentations.

Task 1	Slide 2	What do you think is the most reported workplace injury?
Task 2	Slide 4	Do you know what we mean by a young person?
Task 3	Slide 7	What should they do if the risk outweighs the benefits?
Task 4	Slide 11	Try the Quick Quiz

Activities

Activities will be carried out within the presentation or can be completed after.

[Activity 1](#) – Quiz

[Activity 2](#) – Spot the hazards!

Alternative approaches and follow on activities

- If unable to complete the activities online, there are paper-based alternatives available. Please print out [Activity 1](#) and [Activity 2 worksheet](#) before delivering it
- Students can complete the activities in their own time

Reflect and review

- Review what has been learned and reinforce key points about health and safety in the workplace and where to get further information

Career Management Skills

Self	I develop and maintain a positive self image
Horizons	I know how to find and evaluate information and support to help my career development I am confident in responding to and managing change within my life and work roles
