

# Activity 1 Searching for regional LMI

Follow the instructions below and answer the questions in the table.

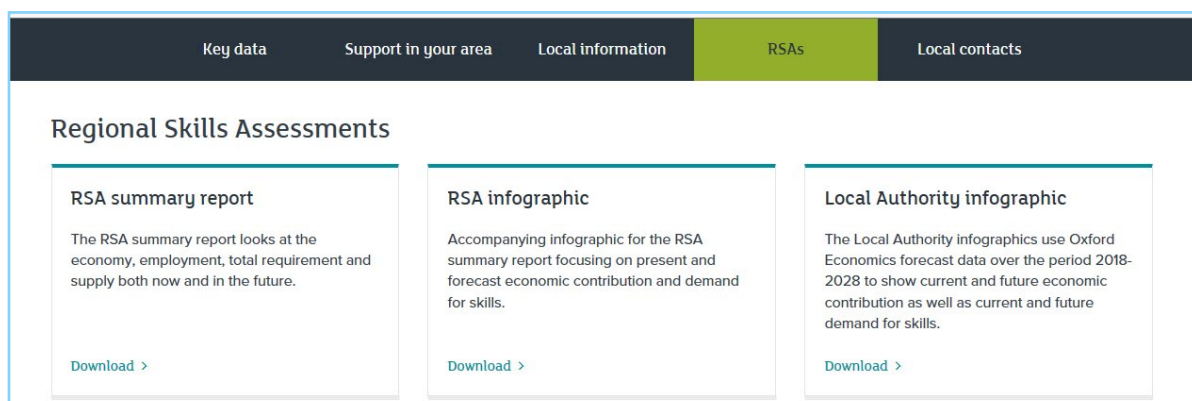

- Go to the [Skills Development Scotland Local and National Work](#) page
- Using the 'Local authority' drop down list, select the local authority where you live and click 'Search'

- Choose RSAs from the menu

- Click on the 'RSA infographic' option

- This opens a document with data for the area you selected.

Answer the following questions.

<b>Local authority selected</b>		
<b>Current demand for skills (number of jobs)</b>		
<b>Top 3 current employing sectors</b>		
<b>The number of people required for job openings over the next 10 years</b>		
<b>Future demand for skills (number of jobs)</b>		
<b>Top 3 future employing sectors</b>		

Have a think about how this information could influence your future career plans and note down any thoughts or questions.

Once you have completed this activity and saved it to your device, remember to upload it to your [Planit portfolio](#) in the JSS Evidence section.
