Useful subjects to study in school	
National Subjects (National 3, 4, 5 and Higher)	
Applications of Maths	
Biology/Human Biology	
Care	
Chemistry	
Design and Manufacture	
Design and Technology	
Engineering Science	
Health and Food Technology	
Maths	
Physical Education	
Physics	
Psychology	
Science	
School/College Partnership Options	
SfW Engineering Skills	
SfW Health Sector	
SfW Health and Social Care	
SfW Laboratory Science	
SfW Practical Experiences: Construction and Engineering	
SfW Uniformed and Emergency Services	
NPA Science and Health	
NPA Social Services and Healthcare	
Foundation Apprenticeships	
Engineering	
Scientific Technologies	
Social Services and Healthcare	

Leaving School with Qualifications at:

Progression Routes (There may also be other courses available in your local area)
