

## Early Years

University of Aberdeen

### Venues

Off campus

### Content

The programme has a strong focus on Early Years Education through transformative professionalism – an enhanced and extended professionalism which has at its core the need for practitioners to take evidence-based action to generate professional knowledge and move practice forward.

This form of professionalism, in contrast with older formulations, is characterised not by self interest and external regulation, but rather by the motivation to contribute to the collaborative development of practice and make informed contributions to professional debate.

You can exit after 12 months with PgCert Early Years

You can exit after 24 months with PgDip Early Years.
