### Content

HNC Beauty Therapy aims at developing the underpinning knowledge, research, and skills to work in the beauty industry. This is a 1-year High level course, for those starting their journey in the beauty industry (with the relevant qualifications) or progressing from an appropriate SCQF Level 6 in Beauty Therapy.

You will be taught by industry professionals with a wide range of industrial experience who will provide you with the training required to develop a career in the beauty industry and impart essential knowledge to equip you for employment.

The qualification develops skills in a realistic working environment using contemporary salon equipment and will develop a proficiency in an array of salon treatments.
