

## Production Technology and Management

Royal Conservatoire of Scotland

### Venues

Renfrew Street Campus

### Content

This programme produces production technicians, stage managers, and sound and lighting designers who can turn their hands to any related role, making them employable in a range of contexts.

You'll get help to create your own pathway, focusing on your areas of interest. You will learn to work creatively, as an individual artist, as part of a production team and in collaboration with other students of all disciplines.
