

Production Technology and Management

Royal Conservatoire of Scotland

Venues

Renfrew Street Campus

Content

This programme produces production technicians, stage managers, and sound and lighting designers who can turn their hands to any related role, making them employable in a range of contexts.

You'll get help to create your own pathway, focusing on your areas of interest. You will learn to work creatively, as an individual artist, as part of a production team and in collaboration with other students of all disciplines.
