Content

This course offers a high-level beauty qualification which will provide you with the knowledge of current advanced beauty treatments, product ranges and techniques.

An employment driven focus throughout all aspects of the course ensures that you are employment ready and have great success in developing careers within the ever expanding beauty industry.

You will learn the therapeutic skills and knowledge you need to move into the highest level of the beauty industry performing a variety of basic beauty therapy skills and more advanced beauty treatment plans including holistic therapies to meet industry requirements.

You will also gain more hands-on experience through working in our professional & twilight salons with professional range products, thus enhancing your employability prospects even further.

The units undertaken may include:

Advanced Facial and Body Therapy Techniques; Lifestyle Advice for Clients; Aromatherapy;
Make-up skills; Promotional and Selling skills; Graded Unit 2; Aromatherapy Massage; Signature Massage;
Contemporary Massage
