

## Politics, Philosophy and Economics

University of Stirling

### Venues

Stirling Campus

### Content

This Politics, Philosophy and Economics (PPE) degree course was the first of its kind in Scotland, and combines three complementary subjects that give you a unique perspective on how the world works.

If you're intellectually curious and passionate about understanding the complex challenges facing modern societies and economies, our PPE course is made for you. As you study, you'll gain a broad insight into what makes the world tick, and also explore the big ideas that have helped shape Western society.

The course brings together highly-regarded teaching staff from across our faculties. You'll benefit from the industry insights of the University of Stirling Business School. You'll also learn from experts in Politics and Philosophy from the Faculty of Arts and Humanities, who will help to ensure you graduate with a comprehensive understanding of the complexities of intellectual ideas, politics and business.
