Motherwell Campus

Content

Elevate your makeup to new heights with our specialised course in Fashion Editorial and Runway Makeup. Step into the glamorous world of high fashion and learn to create stunning looks that grace the pages of magazines and command the runways.

Experienced lecturers will teach you the techniques and secrets of fashion-forward makeup, from avant-garde editorial concepts to the bold and dramatic runway looks that turn heads. You'll gain hands-on experience working with models, photographers, referencing fashion designers, honing your skills to perfection. Take a creative journey and become a sought-after makeup artist in the exciting world of fashion and editorial.

Please note, you might get the exciting opportunity to participate in activities beyond the regular class schedule!
