

Film and Media

University of Stirling

Venues

Stirling Campus

Content

In Semesters 1-4, you'll learn vital skills in different aspects of film and media analysis through core modules that include: Reading Film and Television; Digital Media and Culture; and Understanding Audiences.

Semesters 5-8 will cover selected modules ranging from Scriptwriting, to Sport and the Media. Semesters 5-8 also offer regular production modules that build your core skills in areas such as: Radio Drama Production; Editing and Workflow; and Content Development and Research.

The production strands ends in Semester 8 with Documentary Production.
