Content

Explore literary masterpieces, hone your own creative writing skills, and learn the history of the English language with this English Studies course.

The ability to analyse text and language is a skill that employers value, and the tools you learn from studying English will support your career goals.

This course offers a blend of language analysis, literary studies, and creative writing. You will:

explore literature from the medieval period to the present day; analyse a variety of literary texts including classic novels, plays, and poems; develop your creative writing skills to enhance your understanding of literary techniques; gain insights into linguistics and the evolution of the English language.
