

Tourism Management (3rd year entry)

University of the West of Scotland

Venues

Paisley Campus

Content

The BA Tourism Management has been developed to train well-rounded tourism professionals with a range of specialist and transferable skills.

International tourism is one of the fastest growing emerging industries in the modern global economy.

Through the BA in Tourism Management, you will gain a thorough understanding of current issues, trends and best practice within the global tourism industry as well as professional management skills that are aligned to the needs of leading tourism organisations.

Graduates pursue varied careers in the tourism sector including the hospitality industry, where opportunities exist in hotel and venue facilities management; conference and convention management; visitor attractions and leisure services including outdoor and countryside activities.
