Content

The BA Events Management course is designed to give you the essential knowledge and practical experience to build a career in the exciting, fast-growing events industry.

The course focuses on the development of operational and managerial skills across a range of events industry sectors, including project management, legislation and risk management – all essential skills for the professional events manager.

You will explore a range of event management processes and have direct involvement in the planning and staging of live events.

A special feature of this course is the Festival Curriculum, designed to bring students together to work on exciting live event projects.

The course team have a close liaison with industry leaders, ensuring that the course remains up-to-date and relevant.

Guest speakers from industry and governing bodies are a regular feature of the course to provide industry insight.
