

Quantity Surveying

Glasgow Caledonian University

Content

The programme is accredited by the Royal Institution of Chartered Surveyors (RICS) and the Chartered Institute of Building (CIOB). These accreditations provide graduates access to RICS and CIOB membership via the graduate routes. All second year full-time students have the opportunity to spend one week in Europe as part of their studies.

Year 1

Fundamental Principles of Basic Technology and Design, including Materials and Construction Techniques, and Introduction to the Legal and Commercial sides of Quantity Surveying.

Year 2
