

Social Work (SSSC Approved)

Glasgow Caledonian University

Content

The BA (Hons) Social Work Programme offers a research-informed, challenging and comprehensive curriculum that enables students to develop as critically aware and effective social workers across all areas of practice. We use a wide range of innovative teaching methods that allow students to build the requisite knowledge, skills and values for social work; this includes extensive contributions to teaching and learning from our partners in the local authority, voluntary and third sector agencies.

This programme allows you to qualify as a social worker, eligible for professional registration with the Scottish Social Services Council (SSSC) and other UK Care Councils.
