

Occupational Therapy

Queen Margaret University

Content

This four-year undergraduate course integrates learners from different routes into the profession of occupational therapy. You will have an option to choose to complete either a Master or a BSc (Hons) degree in occupational therapy. Studying on this course will give you the expertise, people skills and conceptual understanding that you will need to work as an occupational therapist. This course is responsive to the demands of the health and social care sector and there are practice-based learning opportunities across the course to integrate theory, knowledge and practice

Year One: Foundations of Occupational Therapy Practice/Personal Academic and Professional Development/Preparation for Practice-Based Learning/Practice-based Learning 1/Health Wellbeing and Participation in Occupation/Finding, Evaluating and Consuming Knowledge.
