Physiotherapy

Queen Margaret University

Content

This four-year course will equip you with the expertise and practical skills that you need to work as a registered physiotherapist in the private or public health and social care sector. You will thrive in our supportive environment and benefit from placements in each year. The course is an undergraduate master's course which provides an option to transfer to the BSc route at the end of Year Two.

Year One: Becoming an Allied Health Professional; Finding Your Academic Voice; Principles of Rehabilitation; Developing Resilience in Self and Others; Foundations of Physiotherapy 1; Introduction to Practice-based Learning (including two weeks Practice-based Learning).

Year Two: Foundations of Physiotherapy 2; Cardiorespiratory Physiotherapy; Musculoskeletal Physiotherapy 1; Health Coaching Conversations; Neurological Physiotherapy; Developing a Spirit of Inquiry; Practice-based Learning 1 (including six weeks of Practice-based Learning).

Year Three: Musculoskeletal Physiotherapy 2; Theoretical and Clinical Approaches to Multidisciplinary Team Working; Understanding and Appraising the Evidence for Practice; Advancement of Clinical Management; Active Citizenship; Investigation of Practice; Practice-based Learning 2 (including 12 weeks Practice-based Learning).

Year Four: Public Health Practice for Physiotherapy; Professional Skills Development; Leadership and Enterprise for Practice; Applying Skills of Critical Enquiry (project); Practice based Learning 3 (including 11 weeks of Practice based Learning).
