

Integrated Health and Social Care (3rd year entry)

University of the West of Scotland

Venues

Paisley Campus

Content

The BA (Hons) Integrated Health & Social Care has been designed for individuals who wish to pursue a career within health and social care in the public, private or voluntary sector.

The degree helps you to understand public policy as it relates to health and social care, and develop knowledge and skills in providing joined-up, comprehensive support services which meet people's needs.

Understanding the interplay between integrated health and social care systems is becoming an increasingly important area of health policy, as it holds the possibility of reducing healthcare costs and providing a better experience for healthcare system users.
