Venues

Ayr Campus
Dumfries Campus
Lanarkshire Campus
Paisley Campus

Content

Get your career as a mental health nurse off on its best foot forward with UWS's BSc Mental Health Nursing, with an NMC accredited BSc Honours pathway providing a competitive, optional additional year to progress to Honours degree qualification.

You'll gain the knowledge, skills, practical experience and confidence to treat complex health and mental health needs, with a recovery-focused approach.

This degree consists of 50% theory and 50% work-based learning; allowing you to put the theory you learn into practice in real life clinical environments. Theory is delivered in a hybrid model, blending online and campus-based delivery to support your application of theory to clinical practice.

Upon graduation, you'll achieve registration as a Registered Nurse in Mental Health with the Nursing and Midwifery Council (NMC).
