Content

Prepare for a rewarding career as a professional midwife with UWS's BSc Midwifery.

This degree will give you the knowledge, skills, practical experience and confidence to become a professional midwife. As teaching on this degree is 50% work-based learning, you'll be able to put the theory you learn in the classroom into practice in real-life clinical environments.

This innovative and contemporary BSc Midwifery degree offers you the chance to be part of this dynamic workforce as an accountable and lead practitioner working with and supporting women throughout their pregnancy and childbirth experience.
