

Social Sciences

Edinburgh Napier University

Venues

Sighthill Campus

Content

Gain a comprehensive understanding of society, culture and human interaction and develop relevant skills for employment including the ability to think critically and analytically.

On this course you have the opportunity to study a range of social science disciplines including sociology, history, geography, psychology and politics. Added to this is an extensive range of optional subjects.

You'll have the opportunity to learn about social scientific research on a range of subjects including Scottish cultural identity, environmental politics, social inequalities, the sociology of organisations and social change. You'll also learn about doing research and carry out your own research projects.
