Year 4: Applications of Molecular Biology, Cellular and Molecular Pathology, Medical Biotechnology, plus honours project.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

B941

Course Length

4 years

Department

Biological Sciences

Entry Requirements

2022 entry requirements

Standard entry:

4 Highers at BBBB including Biology, Chemistry, Human Biology, Physics or Psychology plus English, Maths, Biology and Chemistry at National 5.

Widening access entry:

4 Highers at BBCC including Biology, Chemistry, Human Biology, Physics or Psychology at B plus English, Maths, Biology and Chemistry at National 5.

Entry to year 2 requires Advanced Highers at BBC including Biology.

SCQF Level

10
