Criminology

Edinburgh Napier University

Venues

Sighthill Campus

Content

Criminology is the study of crime, explanations for crime and social reactions to crime.

As an interdisciplinary social science subject, criminology draws on a range of perspectives, for example sociology, psychology and law.

Criminology aims to go beyond our common-sense assumptions and explore the complex and contentious nature of crime and criminal justice.

Short work placements are available on this course on a competitive basis through the 'Microplacements' scheme.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BA Hons

UCAS Code

M900

Course Length

4 years

Department

Criminology, Psychology and Social Sciences
