

Psychology

Edinburgh Napier University

Venues

Sighthill Campus

Content

You'll learn about the latest research and professional practice in areas such as forensic, counselling, sport and work psychology.

This course is accredited by the British Psychological Society and will make you eligible for the Graduate Basis for Chartership, the first step towards becoming a Chartered Psychologist.

You'll develop a range of practical, intellectual, research and transferable skills, including psychological and social research methods, group working, communication, critical thinking and problem solving. You'll also gain the skills to source, use and interpret information, design experiments and use related software.
