TV, Radio and Podcast Production

University of the West of Scotland

Venues

Ayr Campus

Content

You will work in the UWS radio, podcast and television studios using the latest broadcasting facilities and digital sound and video editing suites. The course incorporates excellent teaching staff with professional guest lectures and work related opportunities.

There will also be field visits to major national and international media organisations including the BBC and Glasgow's Film City. You will also have the opportunity to broadcast on the campus radio station as part of this course, as well as other opportunities to gain hands-on practical experience working in live media.
