Content

The BA (Hons) Commercial Music programme is designed to equip students and graduates with the skills, knowledge and experience to carve out a career in the ever-evolving commercial music industries.

The programme is organised around Music Industries studies, Songwriting and Performance, Sound Production, and Music and Cultural Research. Whether you're interested in music promotion, songwriting, teaching, tour management, research, sound engineering or instrumental performance, you'll be able to plan your pathway through the programme to suit your career aspirations.

Developed and delivered in collaboration with music industry professionals, this programme focuses on contemporary issues in commercial music and the opportunities new media has opened up.
