Paisley Campus

Content

If you fancy learning about the inner workings of the mind and human behaviour, the UWS's BSc Psychology degree is for you.

You'll study the human mind and associated behaviour and develop key skills in the collection, analysis and interpretation of data – which will allow you to apply your knowledge in research and investigation processes to solve problems in real-world settings.

UWS's BSc Psychology programme is accredited by the British Psychological Society, which provides the basis for Graduate Registration.
