# Food, Nutrition and Health

Abertay University

## Content

Study Food, Nutrition and Health at one of Scotland's top universities for Nutrition and Food Science.

Develop an in-depth understanding of the relationship between food, diet and nutrition. You'll blend academic learning with hands-on practical skills in our state-of-the art labs as you explore the links between nutrition and public health.

With a work placement built in, a practical approach and impressive facilities, this degree is designed to help you develop your CV while you study. You'll graduate ready to start a career in the food and nutrition industry or go onto further study. The course is aligned with the General Teaching Council (GTC) requirements for the PG Diploma in Home Economics teaching.
