

Chemistry (Higher)

Dundee and Angus College

Venues

Kingsway Campus

Content

This course develops knowledge and understanding of the particulate nature of matter and how the interactions of matter contribute to our environment, nature and the applications in industry. Learners will study a wide range of topics including: chemical reaction rates; patterns in the Periodic Table; structure and formula; and carbon compound reactions.

Start Date

August

Qualification

Higher

Study Method

Part time (evening)
Part time (weekend)

Course Length

1 year

Department

National Qualifications

Entry Requirements

Chemistry at National 5 preferred. Interview and diagnostic test.

SCQF Level

6
