Access to Podiatry (SWAP)

Glasgow Kelvin College

Venues

Springburn Campus

Content

This Scottish Wider Access Programme (SWAP) course is designed for adults returning to education who aspire to become a registered Podiatrist or progress to life science-based higher education such as HNC/D or degree-level study. Further information about SWAP Access courses can be found on the SWAP website.

You'll build a strong foundation in Biology, Chemistry, and Core Skills, developing the academic confidence and practical understanding needed to succeed at university. The course also introduces the scientific principles that underpin podiatric practice, such as anatomy, physiology, and patient care.

Core skills: Communications, Mathematics.

Core subjects include: Biology and Chemistry.
