

Access to Science, Technology, Engineering and Maths (STEM) (SWAP)

Glasgow Kelvin College

Venues

Springburn Campus

Content

Build your confidence in Science, Engineering, and Maths — and take the first step towards university or a career in the STEM industries.

This Scottish Wider Access Programme (SWAP) course is designed for adults returning to education who want to progress to HNC, HND, or degree-level study in Science, Engineering, Computing, or Mathematics.

You'll explore a wide range of subjects including Physics, Chemistry, Engineering, and Mathematics, supported by Communication and Core Skills development. It's the perfect starting point if you want to refresh your academic knowledge, gain recognised qualifications, and open doors to exciting technical and scientific careers.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year
