

Wind Turbine Technician (City and Guilds)

Ayrshire College

Venues

Ayr Campus

Content

This course offers you a dual qualification - the City and Guilds Diploma in Power Engineering, and Performing Engineering Operations at NVQ Level 2.

It will give you a good all-round introduction to engineering, as well as focusing specifically on wind turbine technology. It's part theory, part practical, and throughout the year you'll have regular opportunities to work on a live site at Hunterston B Power Station in West Kilbride.

Start Date

August

Qualification

Other

Study Method

Full time
