

## Access to Science, Technology, Engineering and Maths (SWAP)

Ayrshire College

### Venues

Kilmarnock Campus

### Content

Access to Science, Technology, Engineering and Maths (STEM) is part of the Scottish Widening Access Programme (SWAP). It's for anyone who wants to develop their academic and employability skills, including adult returners who may have been out of education for a while. It offers direct access to a range of college and university courses in Science, Technology, Engineering and Mathematics after one year of study.

You will:

Develop a strong foundation in Higher Chemistry, Physics, and Maths; Focus on practical, hands-on experience in the lab; Enhance skills in ICT and communication; Explore Chemistry, covering Chemical Changes and Structure, Nature's Chemistry, and Chemistry in Society; Dive into Physics, exploring Electricity, Our Dynamic Universe, Particles and Waves, and Researching Physics; Develop Mathematical reasoning skills in areas such as Expressions and Formulae, Relationships and Calculus and Applications of Higher Mathematical thinking; Build essential transferable skills in communication, numeracy, ICT, teamwork, and problem-solving.

### Start Date

August

### Qualification

Access to FE/HE

### Study Method

Full time

### Course Length

1 year

### Department

Science

### Entry Requirements

No formal entry requirements. A place on the course is subject to an interview process.

### SCQF Level

6

## SCQF Points

«SCQFPoints»

## Progression Routes

Progression onto an HNC/D or degree level courses, including Engineering Academy in partnership with Strathclyde University.

## Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»

## Address

Dam Park  
Ayr  
KA8 0EU
