Content

Financial management is at the heart of business decision-making. This specialist Masters course will equip you with the theory and analytical techniques required for a successful career as a finance professional.

You'll gain hands-on experience of the process of financial decision-making and practical knowledge of the workings and role of financial markets in the allocation of capital. The course also gives you an understanding of the qualitative and quantitative techniques needed to interpret market reactions to geopolitical events such as Brexit, oil-price shocks and financial crises.

You can exit after stage 1 with PgCert Finance

You can exit after stage 2 with PgDip Finance.
