Content

Merging creative thinking with strategic analysis, marketing is the vital connection between any organisation and its potential consumer base. With more marketing platforms than ever before and boundless avenues for creative communication, good marketing skills have never been more in demand or more vital to an organisation's success.

You'll experience how marketing works in a "live" environment, deepen your understanding of what makes businesses tick, and sharpen your skills in research and communication.

You'll also have the freedom to take Marketing as a combined honours course with one of the complementary subjects – creating a tailored degree that'll give you an edge in the field you're most passionate about. With graduates working for organisations like Adidas, the BBC and Next, Marketing at Stirling is all about ensuring you can truly be the difference in this diverse, fast-paced and infinitely-relevant arena.
