Content

Equip yourself with a rich breadth of knowledge in business and management with this flexible Business Studies course.

When you choose Business Studies at Stirling, you won't just be stepping into one of the UK's leading business and management institutions – you'll also open the door to a world of opportunities with the freedom to access subjects from different Faculties across the University and, if you wish, combine your degree with one of a wide variety of subjects. From Spanish to Sport, Psychology to Law, and Marketing to Accountancy, the university's flexibility is your strength as you pair your passion with an in-depth grounding in business.

This course will grow your managerial expertise and put foundations in place to ensure you continue developing through your professional life. You'll also learn how organisations are structured, and gain insight into what makes them function best. Speakers from the industry visit regularly to complement the university's research-led teaching – giving you real-world and rounded knowledge of business and the tools needed to succeed in it.
