

Economics

University of Strathclyde

Content

Year 1

You'll study an Introduction to Economics, which covers consumers and industries, markets, market failure and the role of government, unemployment and inflation.

Year 2

Students take core classes in microeconomics and macroeconomics and choose from a number of optional classes.

Year 3

In third-year you'll study a combination of core and optional classes to develop the knowledge gained in Years 1 and 2 with a view to studying Honours.

Year 4

Final-year students study a selection of optional classes, which complement the macroeconomics and microeconomics studied in previous years. You also undertake a dissertation that requires substantial independent research.

Start Date

October

Qualification

Degree

Study Method

Full time
