Content

Explore the world of fashion in our unique and purpose-built workshops and studios, which are renowned with industry and provide a supported creative yet academic setting for this discipline area. You will have access to fully equipped apparel workshops, spacious studios with blended use workspaces, technical workshops, state-of-the-art industrial standard production equipment, and premium Computer Aided Design (CAD) suites. Everything you could possibly need to develop your skills whilst exploring your interest within the world of Fashion.

This course covers a cross section of market sectors, ranging from high-street fashion to ready-to-wear, suitable for both UK and global markets. Undertaking internal and external projects as part of your learning journey will help you develop your own handwriting and shape your understanding of the worldwide fashion industry. These skills can ultimately open the door to incredible career opportunities in your chosen sector.
