Business Management

Edinburgh Napier University

Venues

Craiglockhart Campus

Content

This course provides you with opportunities to discover how organisations are managed whilst developing your business mindset.

You'll explore the internal structures and strategies which businesses adopt in response to key external drivers for change that impact upon them.

The course provides modules that give you real-world experience and the option to undertake a work placement. The practical knowledge and wide range of skills you will acquire through studying the programme will enable you to pursue a broad range of career opportunities upon graduation.
