International Hospitality Management

Edinburgh Napier University

Venues

Craiglockhart Campus

Content

You'll study the principles of international hospitality management and apply these to practical situations in hotels and restaurants, preparing you for a career in the hospitality and tourism industries.

You'll specialise in hospitality business with the opportunity to study modules in tourism, leisure, marketing and languages. You'll learn practical skills in hotels and restaurants, as well as developing transferable skills in research, academic writing, communication and interpersonal relations, presentation and time management.

You'll also have the opportunity to learn from within the industry via a work placement or live project. You may also be able to study abroad through our international exchange links in Europe and the USA.
