

Fitness, Health and Exercise

West Lothian College

Content

This qualification is a nationally recognised qualification endorsed by the Chartered Institute for the Management of Sport and Physical Activity (CIMSPA), equipping you with the essential knowledge and practical skills to thrive as an exercise professional.

This course covers everything you need to thrive in the fitness, health, and exercise industry. You'll dive into key areas like anatomy, physiology, and nutrition, learning how they connect to overall fitness and wellbeing.

Develop practical skills for screening clients and designing personalised exercise plans, while staying updated on industry trends and government initiatives.

Topics include:

Anatomy and exercise physiology; Group exercise; Gym based sessions; Nutrition for fitness; Health screening; Psychology of sports coaching; Exercise principles and programming.
