West Lothian College

Content

This course gives students the opportunity to learn about the different sectors within the business industry and is designed to give you a broad understanding of the functions of business and a clear understanding of the business environment.

This course is equivalent to first year of degree study and we have a number of articulation agreements which will allow you to progress on completion of your HNC/HND qualification. The course is offered as the first year of a three-year programme which will allow you to graduate with the Edinburgh Napier University business management degree.

In year one, you will cover core business subjects, theories of managing and motivating people, business accounting, the economy, marketing, IT business applications and human resource management. There will be an exam to assess knowledge and skills gained.
