

Electrical Engineering (Level 5)

Edinburgh College

Venues

Midlothian Campus

Content

This course provides fundamental knowledge and practical skills required to progress within the field of Electrical Engineering.

Electrical Principle; Electrical Wiring Skills; Motors and Generators; Mathematics; Communication; Information Technology.

Start Date

August

Qualification

NC

Study Method

Full time

Course Length

1 year

Department

Electrical Engineering

Entry Requirements

English, Maths and Physics at National 4. Interview and pre-entry test.

SCQF Level

5

Progression Routes

NC Electrical Engineering (Level 6)
